This meeting was called with less than 24-hour notice. Some Council Members participated in this meeting by electronic means, pursuant to City Council Policy, because it was impossible to meet in person, and impractical for the applicant to wait for the next regularly-scheduled Council meeting on April 28, 1997, due to the fact their Grand Opening was scheduled for April 23, 1997--the same day all inspections and 97-reports were completed and approved.
