Motion Carried 7-0.

59. Items regarding property located at 905 Walker Street:

15-1550 (C) First consideration of ordinance above. Moved by Mahaffey that this ordinance be considered and given first vote for passage. Motion Carried 7-0.
(D) **Final** consideration of ordinance above (waiver requested by Brad Lowe), requires six votes. Moved by Mahaffey that the rule requiring that an ordinance must be considered and voted on for passage at two Council meetings prior to the meeting at which it is to be finally passed be suspended, that the ordinance be placed upon its final passage and that the ordinance do now pass, **#15,402**. 60. Items regarding property located at 4111, 4117 and 4121 McKinley Avenue (**Plan and Zoning Commission recommends DENIAL**):

(A) **Amend** the Des Moines’ 2020 Community Character Plan future land use designation from Low-Density Residential to Low/Medium-Density Residential. Moved by Hensley to adopt and DENY the proposed amendment. Motion Carried 6-1. Absent: Coleman.

(B) **Hearing** on request from Robert J. Ellis and Rebecca Orr to approve PUD Conceptual Plan and to rezone from “R1-80” (One-Family Residential) to “PUD” (Planned Unit Development) to allow six single-family semi-detached dwellings, 12 units total, with a single private access drive from McKinley Avenue. Moved by Hensley to adopt and DENY the proposed rezoning and proposed PUD Conceptual Plan, and to make the following findings of fact regarding the proposed rezoning and Plan: a. The City Plan and Zoning Commission voted 10-0-1 to recommend denial of the requested rezoning of the property to “PUD” Planned Unit Development and of the requested approval of a PUD Conceptual Plan related thereto, to allow development of the site with 12 dwelling units with 6 single-family semi-detached dwellings. b. The proposed rezoning and Plan are not compatible with the Low-Density Residential future land use designation in the Des Moines’ 2020 Community Character Plan, and an amendment to the Low/Medium-Density Residential designation is not appropriate given the single-family residential character of the neighborhood and potential for higher levels of stormwater drainage issues, property value impacts, and other impacts for adjoining areas. c. The Southwestern Hills Neighborhood Association is opposed to the proposed rezoning and Plan. d. If the application of the existing zoning regulations has the effect of denying the owner all economic use of the property, then appropriate remedy is to seek relief from the Zoning Board of Adjustment. Motion Carried 6-1. Absent: Coleman.

(C) **First** consideration of ordinance to rezone the property.
61. Items regarding property located at 1157, 1185 and 1187 15th Street (Plan and Zoning Commission recommends DENIAL):

15-1556 (B) Hearing on request from Chad Ogle to rezone from “C-2” (General Retail and Highway-Oriented Commercial) and “R-3” (Multiple-Family Residential) to “M-1” (Light Industrial) to allow expansion of an existing auto-body repair operation. Moved by Hensley to adopt and DENY the proposed rezoning, and to make the following findings of fact regarding the proposed rezoning: a. The City Plan and Zoning Commission voted 7-4 to recommend denial of the requested rezoning of the property to “M-1” Light Industrial District to allow expansion of an existing auto-body repair operation. b. The proposed rezoning is not compatible with the Low-Density Residential future land use designation in the Des Moines’ 2020 Community Character Plan and an amendment to General Industrial designation is not appropriate given the close proximity of residential uses to the north and east and potential for higher levels of noise, traffic and other impacts for adjoining areas. c. If the application of the existing zoning regulations has the effect of denying the owner all economic use of the property, then the appropriate remedy is to seek relief from the Zoning Board of Adjustment. Motion Carried 7-0.

Wheeler to rezone from “C-2” (General Retail and Highway-Oriented Commercial) to “M-1” (Light Industrial) to allow conversion of the building to a manufacturing use, preparing bottling, packaging, and distributing salad dressing. **Moved by Mahaffey to adopt and DENY the proposed rezoning, and to make the following findings of fact regarding the proposed rezoning:** a. The City Plan and Zoning Commission voted 11-0 to recommend denial of the requested rezoning of the property to Ltd. “M-1” Light Industrial District to allow conversion of the building to a manufacturing use. b. The Highland Park Neighborhood Plan contemplates that the property will remain in the character of the surrounding pedestrian-oriented commercial area. c. The character of the surrounding area is best suited by occupancies which serve pedestrian retail traffic, and thus the proposed rezoning is not consistent with the character of the surrounding commercial area. d.
