Due to the increased community transmission of COVID-19 in Polk County, we have implemented a face covering requirement in City buildings. The requirement applies to both staff and the visiting public and includes attendance at Council meetings. If you do not have a face covering, one will be provided for you.

The public is hereby notified that the City Council will not tolerate disruption of its business meetings. Persons wishing to attend this meeting are reminded of the following:

We welcome germane comments from the public at the appropriate time, but this is a Council business meeting and the Council needs to conduct the people’s business and Council has rules that are validly adopted under Iowa law and those rules will be followed.

Anyone engaging in disruptive conduct in the Council Chambers or Great Hall will result in those being disruptive being ordered to leave the building and being denied readmittance for the remainder of the day.

No person will be permitted to stand in the council chamber during council sessions between the audience seats and the councilmembers except the persons addressing the council at the speakers’ microphone and only after being recognized by the Mayor.

All persons desiring to address the council may do so only when recognized by the Mayor, but the council reserves the right to limit the speaker’s time and the order in which the speakers may address the council.

Under Section 2-70 of the City Code, it is illegal to interrupt any person who is addressing the council except by a council member and it is illegal to disrupt the Council meeting.

EVERYONE in attendance has First Amendment rights and any disruptive conduct by one person or group impinges on the rights of others present, so disruptive conduct will not be tolerated.

If the meeting is disrupted, the public speaking portion of the meeting may be moved to the next in-person meeting which is not disrupted.

Those who disrupt the meeting will not be called on during the meeting, will be ordered to leave the building and may be cited or arrested for disorderly conduct, trespass or interfering with the good order of the meeting or other applicable charges.
