SUBJECT:
WATER MAIN
EXTENSION TO
SERVICE FIRE
STATION NO. 10

TYPE:
RESOLUTION
ORDINANCE
RECEIVE/FILE

SUBMITTED BY:
HAROLD SMITH
CITY ENGINEER

An agreement with the Des Moines Water Works has been proposed to serve the new Fire Station No. 10 located near the northwest corner of East Indianola Avenue and East Payton Avenue. Included in the project is an extension of an 8" water main and one additional fire hydrant. This would be constructed on the east side of East Indianola Avenue north of East Payton Avenue. In addition, a 6" service line would be constructed across East Indianola Avenue for extension into the property to serve Fire Station No. 10. The Des Moines Water Works has agreed to supply materials for this project, with the City of Des Moines paying for construction only.

FISCAL IMPACT –

This agreement will be funded with General Obligation funds available from CIP Index 412742, New Fire Stations.

RECOMMENDATION –

Approval of agreement with the Des Moines Water Works.
