RECOMMENDATION —

Authorize the City Manager to sign Amendment No. 3 to the Agreement with Veenstra & Kimm, Inc. on Southwest Outfall Relief Sewer, Phase 12, Segment 1, Work Order No. 0201-97-004.

SUBMITTED BY:

HAROLD SMITH
CITY ENGINEER

BACKGROUND —

On August 5, 1996, by Roll Call No. 96-2710, the City Council authorized the Mayor to sign an agreement with the engineering firm of Veenstra & Kimm, Inc. to provide professional engineering work necessary to design the sewer facilities described as Phase 12, Segment 1 in the Western Area Facility Plan. During a review with the Metropolitan Transit Authority, it was determined that buried storage tanks which were thought to be abandoned are actually in service. Amendment No. 3 will compensate the engineering firm of Veenstra & Kimm, Inc. for redesigning the sewer alignment.
