CITY OF DES MOINES, IOWA**

**SYNOPSIS —**

Council authorization to proceed is requested for the design and construction of storm sewer improvements to Closes Creek from 27th Street to 31st Street.

**FISCAL IMPACT -**

Funding for this project is included in the October 19, 1998, revised 1998-99 Capital Improvements Program.

**RECOMMENDATION -**

**Authorize the City Manager to proceed with the project as outlined herein.**

**BACKGROUND -**

As a result of the citywide stormwater needs analysis, one of the high priority structural needs was identified to be a storm sewer project from 27th Street to 31st Street, University to Clark, in the Drake Neighborhood. As a result of the recent Capital Improvements Program revision for 1998-99, design on the project can now proceed.
