BACKGROUND -

FLOYD BENTZ, P.E.
ACTING CITY
ENGINEER

1. At the request of Judy Breeze, co-owner of Breeze Electronics, 3717 6th Avenue, the Traffic and Transportation Division reviewed a request for a one vehicle commercial loading zone in front of their business. The following ordinance change will install a commercial loading zone in this area.

SEC. 27-1627. SIXTH AVENUE-EUCLID AVENUE TO AURORA AVENUE.

Sixth Avenue, on the west side, from a point 70 feet south of Douglas Avenue to a point 20 feet north thereof, loading zone.

2. Based on a citizen request, the Traffic and Transportation Division investigated a concern regarding a vehicle parking between a drive entrance and the corner of Sheridan and Cambridge. The stated concern was that vehicles parked in this area were too close to Sheridan to allow visibility of oncoming traffic. A vehicle parked in this area also limits the visibility and access of the driveway on the west side of Cambridge, just north of Sheridan.

The following ordinance change installs a 50-foot no parking corner clearance in this area.

**SEC. 27-2012. CAMBRIDGE STREET-EAST
SHERIDAN AVENUE TO EAST AURORA AVENUE.**

Cambridge Street, on the west side, from Sheridan Avenue to a point 50 feet north thereof, no parking any time.
