BACKGROUND -

The City Council approved the original "Youth at Risk" proposal and accepted the award from the GASA on April 6, 1998, by Roll Call No. 98-1032.

The "Youth at Risk" Program concept was developed to create a partnership between the Police Department, Juvenile Court, and the State's Youthful Offender Program, to take enforcement action against adjudicated

youth who taunt the criminal justice system through continued disobedience to court ordered sanctions.
