The Des Moines Municipal Housing Agency has received annual modernization funds through the U.S. Department of Housing and Urban Development's Comprehensive Grant Program (CGP) since 1992. These funds enable the department to complete major modernization/renovation projects for the 910 dwelling units, which otherwise could not be undertaken. Projected costs of physical needs, administration costs, and management improvement items are based upon a CGP formula. The amount of the grant is \$1,298,103.
