

of home ownership.

The City has been asked to pay for all building permit fees and to reimburse The Clarke Companies for the cost of public improvements required within the street right-of-way (sewer and water stub-ins to the property line, public sidewalks, driveway approach to the property line, and street landscaping).

On September 8, 1997, by Roll Call No. 97-3101, City Council approved an agreement with United Way for \$25,000 (\$12,500 for two years) for programming to provide affordable single-family, owner-occupied housing. In 1997, the first of the two homes was completed. In 1998, the United Way was not able to complete the second home and wish to extend the agreement to allow for completion of this home in 1999.
