BACKGROUND -

Current management contracts for the operations of Grandview and Waveland Golf Courses have placed the profit in golf car rentals in the City's Golf Enterprise Fund. Over the past three years, gross revenues from these rentals were \$325,000 at Grandview and \$536,000 at Waveland, respectively. The City's current agreement for golf cars was approved on March 24, 1997, by City Council Resolution No. 97-1029 for a period of three years.

On March 13, 2000, the City's Purchasing Division issued competitive bids for the leasing of 112 golf cars to be used at Grandview and Waveland Golf Courses. The Golf Car Lease Agreement, which is on file in the City Clerk's Office, is a three-year agreement with an option to renew for an additional three years upon mutual consent of both parties.

Bids were issued to five companies, with three responses. E-Z-Go Textron came in as low bidder at a cost of \$215,652 over three years (\$71,884/year). The parent company is Textron Inc.
