RUSSELL C. UNDERWOOD ACTING DIRECTOR	Last fall the City Council authorized the submission of an application to HUD to designate the City's four smaller public housing buildings elderly-only. Part of that application included the commitment to apply for available grant funds if they were offered in order to provide alternatives to younger disabled persons who would otherwise have been eligible for this housing.
	A Notice of Funding Availability was released this spring making housing vouchers available to applicants who otherwise would have been eligible for housing designated elderly-only. This application is in response to that announcement.
