IDOT AGREEMENT
FOR RESURFACING
EAST UNIVERSITY
AVENUE FROM
EAST 14th STREET
TO EAST 41st
STREET

SYNOPSIS -

The Iowa Department of Transportation (IDOT) has proposed an agreement between the City of Des Moines and IDOT for resurfacing East University Avenue (IA 163) from East 14th Street to East 41st Street, which provides for milling, patching, and full width hot mix asphalt (H.M.A.) resurfacing and traffic median island replacement.

The City will only be responsible for costs of curb replacement and related work on the south side of East University Avenue from East 35th Street to East 41st Street. The City's obligation for this project is estimated to be \$80,000. IDOT has prepared a Project Agreement for the proposed improvements.
