6. The Traffic and Transportation Division received a petition from the residents on SE 3rd between Rose and Watrous Avenues, requesting that the on-street parking on their street be reversed from the east side to the west side of the street. The petition indicated that there is not much area to park on the east side of the street with numerous driveways, and also the mailboxes are on east side so parked vehicles make it difficult to deliver mail. The petition was signed by eight of the nine affected residences. Staff reviewed this request and, based on the consensus of the neighborhood, concurs that the parking be reversed within this section of SE 3rd Street. Along with the change in parking, 50-foot "corner clearance" no parking zones should be established on SE 3rd at both Watrous and Rose Avenue intersections.

At their January 15, 2002 meeting, the Traffic Safety Committee approved staff's recommendations based on the consensus of the neighborhood.
