

**CITY COUNCIL
COMMUNICATION:**

ITEM _____

02-255

**OFFICE OF THE CITY MANAGER
CITY OF DES MOINES, IOWA**

AGENDA:

MAY 20, 2002

SUBJECT:

AFIS/LIVESCAN
ANNUAL
MAINTENANCE
CONTRACT

SYNOPSIS -

The Police Department currently uses a Printrak Automatic Fingerprint System (AFIS) as well as a Printrak LiveScan 2000 Electronic Fingerprint Processing System. Upon the termination of the LiveScan unit's initial warranty, it was the desire of Printrak and the Police Department to combine both the AFIS workstation and the LiveScan system into a combined maintenance agreement. This agreement has been compiled by Printrak and reviewed by City staff. The Police Department requests the Council grant approval for the Mayor to sign said annual maintenance agreement as the City representative. The agreement begins May 1, 2002 and will expire on April 30, 2003.

TYPE:

RESOLUTION
ORDINANCE
RECEIVE/FILE

FISCAL IMPACT -

The combined annual agreement will cost the City \$29,877, which will be funded from the Police Department's operating budget.

SUBMITTED BY:

WILLIAM H.
MOULDER
CHIEF OF POLICE

RECOMMENDATION -

Approval.

BACKGROUND -

By Roll Call No. 97-2875, the City Council approved a \$124,000 purchase of a Printrak Automated Fingerprint Workstation. This workstation allows the Police Department to quickly peruse the State Department of Criminal Investigation's fingerprint database. By Roll Call No. 99-214, the Council approved a \$143,050 purchase of a LiveScan 2000 Fingerprint Processor. This machine allows staff to take electronic fingerprints and digital mug shots, which can be processed and reviewed more efficiently. This machine also allows fingerprint data to be directly delivered to the state database for storage and future use.

Both the warranties and initial maintenance agreements associated with these machines have expired. Printrak has provided a combined maintenance contract for both systems. Software upgrades, hardware repair and system configuration issues are covered by the new agreement.
