**ITEM \_\_\_\_\_**

**OFFICE OF THE CITY MANAGER  
CITY OF DES MOINES, IOWA**

**SYNOPSIS —**

Approving and authorizing the execution of MidAmerican Energy Company Agreement to provide underground electrical service for the street lighting on the Masonic Temple Sidewalk Reconstruction Project at 10th Street and Locust Street.

**FISCAL IMPACT —**

Compensation to MidAmerican Energy Company for work covered by the agreement shall not exceed \$850.

**RECOMMENDATION —**

**Approval of agreement with MidAmerican Energy Company.**

**BACKGROUND —**

On June 17, 2002, by Roll Call No. 02-1611, the City Council approved the contract and bond with Taylor Construction Company in the amount of \$171,645 for construction of the Masonic Temple Sidewalk Reconstruction Project.

The project includes installation of custom streetlights. This agreement provides for MidAmerican Energy Company to install a 120/208 volt, single-phase, three-wire underground electrical service for these streetlights for a cost of \$850.
