BACKGROUND —

On August 19, 2002, by Roll Call No. 02-2075, the Des Moines City Council accepted the FY 02/03 CEG funding of \$4,160 and FY 01/ 02 addendum funding from the Iowa Department of Cultural Affairs in the amount of \$6,000 for a total of \$10,160. The CEG funds are used to support the educational and horticultural programs and services at the Des Moines Botanical Center.

On March 24, 2003, by Roll Call No. 03-642, the Des Moines City Council approved submittal of the Interim Application to the Iowa Department of Cultural Affairs Cultural Enrichment Grant program.

The CEG program provides general operating support grants on a two-year cycle to major multidisciplinary cultural organizations that demonstrate cultural and managerial excellence on a continuing basis to the citizens of Iowa. The Park and Recreation Department was notified on April 7, 2003, that the Des Moines Botanical Center was awarded \$4,160 for FY 03/04. To receive these funds, the City of Des Moines' City Council needs to approve the CEG Contract, which is on file in the City Clerks office. These funds are considered general fund revenue and support general education and horticultural programs.

Terms of the contract include identifying the Iowa Department of Cultural Affairs on printed material, giving preference to Iowans and Iowa products, abide by all local, state and federal laws, submitting a
