SYNOPSIS —

On the November 17, 2003, Council agenda is a roll call to authorize the City Manager to proceed with the design process on the Clover Hill Trunk Sanitary Sewer Connection Fee project including solicitation for request for proposals for design services.

FISCAL IMPACT —

Estimated total project cost is \$1,250,000. Funding for the design is included in the 2003-04/2008-09 Capital Improvements Program (CIP), Clover Hill Trunk Sanitary Sewer - 2003-04/2008-09 CIP, Page 8 Sanitary Sewer Improvements, Account 544020, Fund EN104, Organization PWK990000, Project SAE121.

RECOMMENDATION —

Approval.

BACKGROUND —

On February 24, 2003, by Roll Call No. 03-437, the City Council adopted the 2003-04/2008-09 CIP. This project provides for construction of a trunk sanitary sewer for the recently annexed area of Warren County, lying along SW Ninth Street south of County Line Road and north of Highway 5. A trunk sewer connection fee district will be established to provide for the collection of fees as the area develops. The cost associated with constructing this line will be recouped through the collection of sewer fees.
