## COUNCIL COMMUNICATION City Manager's Office

### GENERAL INFORMATION

Agenda Date: 06/07/04  
No.: 04-282  
Agenda Item Type: Resolution  
No.:

Communication

Roll Call

Submitted by: Jeb E. Brewer, P.E., City Engineer

### SUBJECT—

Authorization to proceed and authorization to acquire right-of-way for the Beaver and Adams Avenue Sanitary Sewer Relocation.

### SYNOPSIS—

Council authorization to proceed and authorization to acquire right-of-way is requested for the Beaver and Adams Avenue Sanitary Sewer Relocation.

### FISCAL IMPACT—

Funding for this project is included in the adopted 2003-04 Capital Improvements Program, Index Code 371161, Account 543040, Fund EN104, Organization PWK990000, Project SAE054 – City-Wide Sanitary Sewers.

### RECOMMENDATION—

Approval.

### BACKGROUND—

This project provides for the replacement of a 150-foot section of 6-inch sanitary sewer along Beaver Avenue in the vicinity of Adams Avenue. This section of 6-inch sanitary sewer does not meet current design standards and has deteriorated to a point where maintenance is becoming difficult. Replacement of the existing 6-inch sanitary sewer with one meeting current design standards will allow for adequate maintenance operations to be performed, reducing the likelihood of sewer backups in this area.
