### BACKGROUND—

The Housing Services Department received approval for its application to dispose of 394 Public Housing units at Fair Market Value, via a public bid on August 19, 2003. Where there is a commensurate public benefit, according to federal regulations, sales can be negotiated with a specific buyer.

HOME, Inc., an Iowa nonprofit corporation has a long history of providing affordable housing in the City of Des Moines, of meeting the requirements of federally funded housing programs and has the ability to meet the requirements of DMMHA's disposition plan. HOME, Inc., intends to use this property for their lease/purchase model of homeownership for a household below 80% of HUD median income guidelines.

DMMHA has received HUD approval for this Negotiated sale.
