BACKGROUND—

On December 22, 2003, by Roll Call No. 03-2937, the City Council approved the sale and conveyance of 5821 Winona Avenue to Russ Severson for the sale price of \$1,000.00, subject to a no-build restriction for sewer maintenance purposes.

Russ Severson sold this property to Gordon Pralle, who is requesting that the no-build restriction be released so that a portion of this property can be assembled with adjoining land for redevelopment with single-family housing.

The subject property measures 36' x 360' (approximately 12,960 square feet). The Sewer Enterprise Division of the Public Works Department has determined that additional sewer easement is not needed on this property and the no-build restriction can be released.

Gordon Pralle, 5819 Winona Avenue, Des Moines, Iowa, 50312-1649, has submitted an offer to purchase in the amount of \$3,400.00 for the release of the no-build restriction on the above referenced property, which is equal to the estimated Fair Market Value.
