AGENDA HEADING:

Authorizing the Des Moines Municipal Housing Agency (DMMHA) to submit proposed payment standards for the Section 8 Housing Choice Voucher program to the U.S. Department of Housing and Urban Development (HUD).

SYNOPSIS:

Recommend approval to revise and submit the proposed payment standards for the Section 8 Housing Choice Voucher program to the U.S. Department of Housing and Urban Development.

FISCAL IMPACT:

Amount: \$768,608 (estimated)

Funding Source: Section 8 Housing Assistance Payments, p. 227, SP350 HSG 190000

ADDITIONAL INFORMATION:

The U.S. Department of Housing and Urban Development requires the Des Moines Municipal Housing Agency to establish payment standards by bedroom size for the Section 8 Housing Choice Voucher program. Federal regulations also require the housing agency to review its payment standards annually.

The payment standard is used to calculate the monthly housing assistance payment for a family under the Section 8 Housing Choice Voucher program. The range of possible payment standard amounts is based on HUD's published fair market rent (FMR) schedules. Current payment standards are between 90% and 97% of the FMRs and are within HUD guidelines, which stipulate that payment standards must be between 90% and 110% of the FMRs. The revised payment standards will be 96% to 109% of the FMRs.
