The City of Des Moines and the IDOT entered into a preconstruction agreement on August 8, 2005 by Roll Call 05-1884 for the construction of I-235 from the Des Moines River to Cottage Grove Avenue, including portions of Birds Run Storm Outlet and associated sanitary sewer work. The final design required different project limits in order to properly phase the sewer and roadway construction. This addendum documents these changes in the original agreement to allow the City to receive the IDOT's proportionate share of funds for the required construction.
