AGENDA HEADING:

Approval of Final Plat for 2100 Echo Valley Plat 1.

SYNOPSIS:

Recommend approval of the Final Plat for 2100 Echo Valley Plat 1 located in Des Moines, southwest of 85th Avenue (extension of Fleur Drive) and Echo Valley Drive and north of Iowa Highway 5. The plat will have 1 (one) commercial lot zoned conditional C-2. The owner and developer of the property is United Properties Investment Company, LC, Michael Coppola, principal.

FISCAL IMPACT: NONE

BACKGROUND/ADDITIONAL INFORMATION:

This plat consists of one commercial lot on 17 total acres of land. Lot 1 is a one acre parcel being created to allow for the development of a convenience store. The remainder of the plat contains a 16 acre outlot that will require additional platting for future commercial use(s). The lot is commercially zoned limited C-2 (General Retail and Highway Oriented Commercial District). The conditions of the rezoning require that any development of this property must contain a uniform architectural, landscaping and general development theme to be approved by the Planning Director prior to the approval of any site plan. The developer has thus far complied with the zoning condition, and conceptual architectural and landscape themes are on file at the Permit and Development Center. The previous Council plat approval on March 26, 2007, expired 30 days after conditional approval was granted.
