Agenda Item No.	15
Roll Call No.	<u>07-</u>
Communication No.	<u>07-330</u>
Submitted By:	Larry Hulse, Community Development Director

AGENDA HEADING:

Approving Final Plat for Anderson Commercial Park Plat 3.

SYNOPSIS:

Recommend approval of the Final Plat for Anderson Commercial Park Plat 3 located in Des Moines, in the vicinity of 5409 SE 14th Street. The owner and developer of the property is Anderson Properties L.L.C., 3911 Justin Drive, Urbandale, IA 50322, Bill Anderson, principal.

FISCAL IMPACT: NONE

ADDITIONAL INFORMATION:

The plat consists of a total of 3 lots for development on 18.35 acres. Two lots are commercially zoned "C-2" (General Highway Oriented Commercial), and one lot is zoned "R-3" (Multiple Family Residential) with the condition that only single family homes at "R1-80" densities or senior housing facilities can be constructed on the lot. As a condition of approval from the Plan and Zoning Commission, all lots in this plat are subject to restrictive covenants requiring private access drives to be installed prior to development on any lot within the plat. There is currently a development proposal for the "R-3" zoned portion of this plat to construct a 58-unit assisted living facility (phase I).

The developer wishes to have a private drive from SE 14th Street to the development on Lot 3. That private drive name is proposed to be Prairie Hills Drive, but the name has not been finalized at this point. If the Council approves any private drive name for this project, it will appear on the Polk County Assessor's records, Emergency Management Response Systems, Post Office records, and other records that rely on street addresses. A formal Council approval of this private street name ensures that there will be no duplicate-named streets in the City of Des Moines, which eliminates logistical issues for emergency responders. The previous Council plat approval on February 26, 2007, expired 30 days after conditional approval was granted.
