SYNOPSIS:

Recommend approval of fair market value and authorization for voluntary acquisition of property located at 1529 13th Street. The purpose of this acquisition is for residential redevelopment as part of the Forest Avenue Urban Renewal Project. The funding source used for this acquisition requires the City to establish fair market value and comply with all other voluntary acquisition regulations under the Federal Uniform Acquisition and Relocation Assistance Act (Uniform Act).

FISCAL IMPACT:

Amount: \$10,000 plus closing and relocation costs

Funding Source: FY 2007-08 Operating Budget, Community Development Block Grants, CDBG2006018, CDD-King Irving Housing Con., Page 104

ADDITIONAL INFORMATION:

On September 11, 2006, the City Council approved the Amended Forest Avenue Urban Renewal Plan. The King Irving Neighborhood has a large number of vacant lots scattered throughout the area. The Amended Urban Renewal Plan allows for the acquisition of these lots for redevelopment of affordable, single-family housing back into the neighborhood. In addition, there are a few homes that are negatively impacting existing homes in good condition and newly constructed homes that have been built in the past few years. The federal funds allocated to this project require compliance with federal rules and regulations that dictate lead based paint abatement, income guidelines, acquisition, and relocation provisions. The Amended Urban Renewal Plan provides that eminent domain will not be used to acquire occupied structures east of M. L. King, Jr. Parkway in the King Irving portion of the area. If necessary, eminent domain may be used east of M. L. King, Jr. Parkway to acquire only vacant lots or abandoned structures.

Wardrick S. Iutzi is the owner-occupant of 1529 13th Street, which has been appraised by an independent appraiser in the amount of \$10,000. The appraisal has been reviewed and approved by the City's Real Estate Division Appraiser. If a voluntary agreement is reached with the property owner, the City will provide the required relocation assistance benefits.
