## ADDITIONAL INFORMATION:

The proposed Consolidated Plan will be available to the public for 30 days. A hearing will be held on November 19, 2007, to receive the City Manager's comments and recommendations and any comments from the public before finalizing the plan.

Agencies submitted proposals in response to specific Notices of Funding Availability (NOFAs), which addressed the priority goals for the five-year strategy and one-year action plans. PY 2008 will be the fourth action year of the current five-year strategy.

The five-year strategy addresses critical needs for affordable housing for families at or below 80 percent of HUD's median household income guidelines. Other categories of projects include economic development, infrastructure improvements and public services that are intended to support the housing effort by helping recipients find work or receive job training, obtain transportation and revitalize neighborhoods.
