On August 19, 2003, the Housing Services Department received approval for its application to dispose of 394 public housing units at fair market value via public bid. According to federal regulations, sales can be negotiated with a specific buyer when there is a commensurate public benefit.

For many years, Community Housing Initiatives, Inc. (CHI), an Iowa corporation, has provided affordable housing within the state while meeting the requirements of federally funded housing programs. It has the ability to meet the requirements of DMMHA's disposition plan. CHI intends to use this property for housing opportunities for households below 80% of HUD median income guidelines.

DMMHA has received HUD approval for this negotiated sale.
