Agenda Item No. 8

Roll Call No. 08-

Communication No. 08-084

Submitted by: William G. Stowe, Assistant City
Manager/Public Works/Engineering &
Jeb E. Brewer, P.E., City Engineer

AGENDA HEADING:

Approving Agreement with MidAmerican Energy for the installation of underground electrical lines for Dean's Lake Pump Station not to exceed \$41,736.61.

SYNOPSIS:

Recommend approval of proposal from MidAmerican Energy to provide the permanent installation of underground electrical lines for the Dean's Lake Pump Station, located south of Maury Street at the Des Moines River Levee and west of the Wastewater Reclamation Facility Biosolids Storage Facility.

FISCAL IMPACT:

Amount: The total cost for underground electrical installation is \$41,736.61

Funding Source: 2007-2008 CIP, Storm Water Improvements, Page 8, Dean's Lake Pump Station Improvements, STE080.

ADDITIONAL INFORMATION:

On October 22, 2007, under Roll Call Number 07-2072, the City Council awarded a contract to Herberger Construction Co., Inc., Dean Herberger, President, 2508 West 2nd Avenue, Indianola, IA, 50125 in the amount of \$2,544,865, for the construction of the Dean's Lake Storm Water Pump Station. Construction of this pump station is identified in the Dean's Lake Flood Control Study and provides for the construction of a storm water pump station at the outlet of the Dean's Lake Watershed to the Des Moines River. Currently during high river flows, portable-pumping operations must be initiated to pump storm water over the levee system. The pump station will provide greatly increased pumping capacity and increased reliability for the flood control system. The proposal from MidAmerican Energy provides underground electric service to the new pump station.

PREVIOUS COUNCIL ACTION(S):

Date: October 22, 2007

Roll Call Number: 07-2072

Action: Public Hearing, approving plans, specifications, form of contract documents and engineer's estimate on Dean's Lake Storm Water Pump Station. Council Communication No. 07-639). Moved by Meyer to adopt. Motion carried 7-0.

Date: February 26, 2007

Roll Call Number: 07-323

Action: Design and Construction Phase Services for Dean's Lake Pump Station Improvements. \$520,000. (Council Communication No. 07-115). Moved by Hensley to adopt. Motion carried 6-1.

Date: October 9, 2006

Roll Call Number: 06-1953

Action: Approving issuance of Request for Proposal on design and construction phase services for Dean's Lake Pump Station Improvements. (Council Communication No. 06-629). Moved by Vlassis to adopt. Motion carried 6-0

BOARD/COMMISSION ACTION(S): NONE

ANTICIPATED ACTIONS AND FUTURE COMMITMENTS:

Final acceptance of agreement and payment.
