AGENDA HEADING:

Resolution establishing fair market value of property located at 3803 Indianola Avenue for the East Indianola Avenue Widening Project – Phase I.

SYNOPSIS:

Recommend approval of fair market value. This action establishes fair market value of property interests for the East Indianola Avenue Widening Project – Phase I. State law requires this action before the City can proceed with an offer to purchase the necessary properties under the threat of eminent domain. Lillian C. Riccelli is the titleholder of the commercial property located at 3803 Indianola Avenue. The property interests required for the project have been appraised at \$11,700 for a partial fee acquisition, permanent easement for utility corridor and a temporary construction easement. This acquisition will not require relocation assistance.

FISCAL IMPACT:

Amount: \$11,700 (plus closing costs)

Funding Source: 2008-09 CIP, Street Improvements, East Indianola Avenue Widening – S.E. 14th to Army Post Road, STR213, Page – Street Improvements - 14

ADDITIONAL INFORMATION:

On December 17, 2007, the City Council of the City of Des Moines authorized acquisition of the necessary right-of-way and easements for the East Indianola Avenue Widening Project.

This project provides for East Indianola Avenue from S.E. 14th Street to East Army Post Road to be reconstructed as a “complete street” design. A “complete street” design includes accommodation for not only vehicular traffic but also mass transit, pedestrians, commuter and recreational bicyclists, and other recreational users. Providing facilities for all users helps reduce the number of single-occupant vehicles using the roadway and encourages alternative commuting options and recreational activities. The bicycle features in particular are an important part of the City’s effort to gain recognition as a bike friendly community.

On November 21, 2008, the City received authorization from the Iowa Department of Transportation (IDOT) to commence acquisition of all necessary property interests for this project. The property listed below has been appraised by an independent appraiser and the appraisal is being reviewed by IDOT.

Lillian C. Riccelli is the titleholder of the commercial property located at 3803 Indianola Avenue. The property interests required for the project have been appraised at \$11,700 for a partial fee acquisition, permanent easement for utility corridor and a temporary construction easement. This acquisition will not require relocation assistance.

The appraisals for all other property interests required for this project are currently underway and will be submitted to the City Council or City Manager, as applicable, for approval of the fair market values when completed.
