Setting date of hearing for the sale of General Obligation Refunding Capital Loan Notes, not to exceed \$26,000,000 (Series 2010C), and Public Parking System Revenue Refunding Capital Loan Notes, not to exceed \$17,500,000 (Series 2010D).

SYNOPSIS:

To refinance the series 2000A, 2003A and 2004B bonds requires a public hearing prior to Council authorization to direct the sale of the bonds. In order to get this accomplished a Special Council Meeting will be required on January 20, 2010.

FISCAL IMPACT:

A net present value savings of at least \$743,000 over the life of the bonds (10 year maturity), is anticipated to be realized (3% savings). Approximately 17% of the savings (\$126,000) will accrue to tax increment and 83% (\$617,000) will accrue to the regular debt service levy. All of the parking bonds savings (\$525,000) will accrue to the Parking System. The refinancing of debt will not extend the terms of the existing debt.
