

 <p style="text-align: center;">Council Communication Office of the City Manager</p>	Date: June 25, 2012
	Agenda Item No. 36A Roll Call No. <u>12-998</u> Communication No. <u>12-325</u> Submitted by: William G. Stowe, Assistant City Manager – Public Works Director

AGENDA HEADING:

Request City’s Purchasing Division to issue blanket purchase order for Crafcro Pavement Crack Sealant (Roadsaver 221) and Detackifier (Detack), to be purchased during fiscal year 2013.

SYNOPSIS:

Recommend approval for City’s Purchasing Agent to issue a blanket purchase order for Crafcro Pavement Crack Sealant and Detackifier to Logan Contractors Supply (4101 106th St., Urbandale, Iowa 50322, Bruce Logan/President), the sole area-wide distributor.

FISCAL IMPACT:

Amount: \$65,000

Funding Source: PWK990000/STR102, Capital Projects/Concrete Paving Restoration, page Street Improvements – 8.

ADDITIONAL INFORMATION:

The Department of Public Works utilizes a Crafcro SS125 Sealant Melter/Applicator extensively in its pavement maintenance program to seal cracks that develop in the pavement, thereby extending the pavement life. Crafcro sealant is required to use in the Crafcro Melter/Applicator. Municipal Code section 2-726(a)(7) provides for a non-competitive procurement of materials when the required materials are available only from a single area-wide distributor and competitive bids for such materials are thus not reasonably attainable.
