	Agenda Item No. 54 Roll Call No. <u>13-0166</u> Communication No. <u>13-040</u> Submitted by: Phillip Delafield, Community Development Director

AGENDA HEADING:

Receive and file communication from the Plan and Zoning Commission regarding a request from Union Pacific Railroad (owner) for vacation of the following four segments of street right-of-way where the railroad right-of-way intersects:

- Hull Avenue between Delaware Avenue and Dixon Street
- Scott Avenue between Southeast 20th Street and Southeast 22nd Street
- Southeast 34th Street between Scott Avenue and East Court Avenue
- Southeast 36th Street at a point north of Scott Avenue

SYNOPSIS:

Vacation of these segments of street right-of-ways would result in the termination of the public street on either side of the railroad, thereby closing it to through traffic. Staff recommends that the City Council only receive and file the Plan and Zoning Commission’s communication. Staff does not recommend that a date of public hearing be set by the City Council regarding this matter at this time. Staff desires to meet with representatives of the Union Pacific Railroad to determine if additional options and improvements can be considered to mitigate the proposed closures. Staff will report back to the full City Council regarding the results of these discussions.

FISCAL IMPACT:

Amount: To be determined.

Funding Source: To be determined.

ADDITIONAL INFORMATION:

On January 3, 2013, the Plan and Zoning Commission held a public hearing regarding the request to vacate the noted sections of the public street right-of-way. A motion to approve the requested right-of-way vacations failed by a vote of 5-8. No additional motions were made by the Commission. Staff desires to meet with representatives of the Union Pacific Railroad to determine if additional options and improvements can be considered to mitigate the proposed closures based upon comments received at the Plan and Zoning Commission hearing.
