SYNOPSIS:

Recommend continuance of the public hearing until the Council meeting on June 10, 2013, for publication purposes.

FISCAL IMPACT:

Amount: \$2,165 (Revenue)

Funding Source: Non-project related land sale proceeds are used to support general operating budget expenses: Fund: SP767, Org: ENG980500.

ADDITIONAL INFORMATION:

On May 17, 1982, by Roll Call No. 82-2061, City Council approved and adopted Ordinance No. 10,125 vacating a segment of 17th Street lying south of Keosauqua Way. The vacated right-of-way is located on the east side of 1702 Keosauqua Way, which is north of University Avenue. The parcel contains approximately 3,089 square feet and is non-buildable due to a very steep grade and an irregular shape.

Approximately two (2) years ago, the City removed a dilapidated wooden walkway and steps that were previously constructed on the City's property to help reduce the City's liability with ownership of this excess property. At this time, City staff discovered that the adjoining property owner, Spectrum Resource Program, was using the property to discharge storm water that collects at their property at 1702 Keosauqua Way. City staff has reaffirmed that there is no current or anticipated public need for the property and due to the shape and grade of this property and surrounding properties, the highest and best use for the City's parcel is for assemblage with the property at 1702 Keosauqua Way.

City staff has offered the property for sale to the adjoining owner at 1702 Keosauqua Way, Spectrum Resource Program, and they have agreed to purchase the property for \$2,165, which is equal to the estimated fair market value of the property as determined by the City's Real Estate Division.
