	Agenda Item No. 47C Roll Call No. <u>13-933</u> Communication No. <u>13-294</u> Submitted by: Matthew A. Anderson, Assistant City Manager

AGENDA HEADING:

Approving First Amendment to the Urban Renewal Development Agreement with Alexander Company for the \$36 million historic renovation of the former Younkers Building at 713 Walnut Street.

SYNOPSIS:

On December 3, 2012, by Roll Call No. 12-1883, City Council approved a \$2.35 million Urban Renewal development agreement with the Alexander Company (Joe Alexander, President, 145 East Badger Road, Suite 200, Madison, Wisconsin, 53713) to undertake the historic renovation of the former Younkers department store building.

Alexander Company proposes to bring the iconic building back into service through an adaptive reuse project consisting of 120 affordable housing units, first floor and skywalk level retail space, and restoration of the former Younkers Tea Room space. The project will remove approximately 188,000 square feet of vacant space from the downtown building inventory and be an essential flagship project for the renovation of Walnut Street.

The Office of Economic Development is recommending an amendment to the current development agreement terms that will revise the current 10 year economic development grant payment schedule to 15 years. The total amount of the City’s assistance will not change. The construction start date for the project is also recommended for revision, from April 30, 2013 to July 20, 2013.

Construction is anticipated to be completed in June 2014.

FISCAL IMPACT: NONE

ADDITIONAL INFORMATION:

Following the December 2012 Council approval, the Alexander Company has worked on lobbying for legislative changes to the time period allocated for State Historic Tax Credits, which were approved and will allow for the project to better utilize this important funding source. The company has also worked to secure their remaining financing commitments for the project. Three (3) additional investors have committed, and closing on these funds is planned by the end of June, which will allow construction to begin by July 20.

Alexander Company has requested an amendment to the current payment schedule for the economic development grant from 10 years to 15 years. Estimated annual payments will be \$156,667. Revising the current 10 year schedule to 15 years will allow for the economic development assistance in years

11-15 to be project generated, as the tax abatement will expire in year 11. In addition, there are two (2) backstops that will remain in place that may reduce the City's overall economic development grant contribution: the potential leasing of the Tea Room space and the favorable treatment of State Historic Tax Credits.
