

 <p style="text-align: center;">Council Communication Office of the City Manager</p>	Date: May 19, 2014
	Agenda Item No. 48 Roll Call No. <u>14-0814</u> Communication No. <u>14-237</u> Submitted by: Jeb E. Brewer, P.E., City Engineer, and Benjamin R. Page, Park and Recreation Director

AGENDA HEADING:

Hearing on S.W. 14th Quiet Street: Resolution approving plans, specifications, form of contract documents, engineer’s estimate, receive and file bids.

SYNOPSIS:

This is a public hearing to allow for public input on the S.W. 14th Quiet Street and take the necessary actions as required by Iowa Code to authorize a contract for construction of the proposed project. Developing a portion of Druid Hill Drive, Casady Drive, S.W. 14th Street, West Street, S.W. 10th Street, and Rittenhouse Street into a quiet street to slow vehicle traffic while facilitating safe and convenient bicycle travel. This will be accomplished by constructing medians, a raised crosswalk at Wright Elementary school, speed feedback signs, and pavement markings. A raised median with a pedestrian refuge will also be constructed at the Blank Park Zoo entrance on S.W. 9th Street at Rittenhouse Street.

FISCAL IMPACT:

Amount: Apparent low bid is \$149,995 (\$169,000 City Engineer's Estimate)

Funding Source: 2014-2015 Capital Improvement Program (CIP), Page Park – 9, Multi-Use Trails, PK045, Being: \$112,496.25 in Iowa Department of Transportation (IDOT) State Recreational Trails funding (75% max) eligible construction costs, which is the eligible remaining amount of the \$439,920 per Agreement 2012-RT-007; with the remaining \$37,498.75 in G.O. Bonds.

ADDITIONAL INFORMATION:

The S.W. 14th Quiet Street project has been through an extensive public input process. On June 13, 2011, by Roll Call No. 11-1046, the City Council adopted the Bicycle and Trail Master Plan as an element of the 2020 Community Character Plan. The Bicycle and Trail Master Plan, which also went through an extensive public input process, identified the quiet street as one of three (3) priority projects that could make a major positive impact on the ability to safely bicycle in the City.

On June 18 and 19, 2012, the City hosted public open houses to begin the design process for the S.W. 14th Quiet Street project. The first open house described the parameters of the project and presented the purpose and tools for creating a quiet street. Approximately 80 attendees, the majority of whom live in

the affected Watrous South and Gray's Lake Neighborhoods, attended this first meeting and had the opportunity to discuss questions and issues one-on-one with staff and consultants.

After gaining residents' input, the consultants, Alta Planning + Design, prepared several options for traffic-calming elements along the corridor and presented them at the second open house held the following day. The approximate 40 residents who attended this second meeting gathered into small groups around corridor maps, discussed the proposed options, and provided feedback.

In the months following the open houses, Parks staff worked with small groups from both of the neighborhood associations and other City departments to finalize the elements. After the conceptual plan was developed, it went through the following steps of public review:

- On September 10, 2013, the concept was presented to the Traffic Safety Committee for informational purposes, with no action to be taken.
- On November 25, 2013, City staff held a public meeting to present the conceptual plan to a group of approximately 60 residents of the neighborhoods and interested parties.
- On December 9, 2013, the Des Moines and Polk County Trails and Greenways Advisory Committee reviewed the conceptual plan and unanimously recommended approval.
- On December 16, 2013, the Park and Recreation Board reviewed the conceptual plan and a majority (12-2) voted to recommend to City Council that it approve the plan.
- On January 27, 2014, the City Council reviewed and approved the conceptual plan.

On April 21, 2014, by Roll Call No. 14-0592, the City Council received and filed plans, specifications, form of contract documents, and City Engineer's estimate for the construction of the S.W. 14th Quiet Street. Before the City Council can enter into a contract, it must hold a public hearing and approve the proposed plans, specifications, and form of contract documents and engineer's estimate for the construction of the S.W. 14th Quiet Street, 06-2014-001. The improvement includes construction of medians, pavement widening, HMA raised crosswalk, sidewalks, speed feedback signs, pavement markings, and other incidental items; in accordance with the contract documents, including Plans File Nos. 557-148/189, along S.W. 14th Street from Casady Drive to West Street and on S.W. 9th Street at Rittenhouse Street, Des Moines, Iowa.

Sealed bids for said improvement were submitted by the following bidders:

Iowa State Contractors, Inc., Ottumwa, IA
MPS Engineers, P.C., Des Moines, IA
T K Concrete Inc., Pella, IA

The bids were received and opened at a public meeting presided over by the City Engineer in the City Council Chambers, 2nd Floor, City Hall, 400 Robert D. Ray Drive, Des Moines, Iowa at 11:00 a.m. on May 6, 2014.

The current Council action holds the public hearing and receives and files the submitted bids. An item for Council consideration on awarding the contract and approving the bond will be presented at the June 9, 2014 Council meeting.

PREVIOUS COUNCIL ACTION(S):

Date: April 21, 2014

Roll Call Number: [14-0592](#)

Action: Ordering construction of the following:

- (A) [SW 14th Quiet Street](#): Receiving of bids, (5-6-14), Setting date of hearing, (5-19-14). (Construction Estimate, \$169,000). ([Council Communication No. 14-167](#)) Moved by Hensley to adopt. Motion Carried 7-0.

Date: January 27, 2014

Roll Call Number: [14-0179](#)

Action: [The Southwest 14th Quiet Street Conceptual Plan](#). ([Council Communication No. 14-031](#)) Moved by Voss to approve. Motion Carried 6-1. Absent: Hensley.

Date: May 7, 2012

Roll Call Number: [12-0675](#)

Action: [Approving](#) and authorizing the execution of Iowa Department of Transportation Agreement for Gray's Lake Neighborhood Connecting Trail and SW 14th Quiet Street. ([Council Communication No. 12-214](#)) Moved by Hensley to adopt. Motion Carried 7-0.

Date: April 9, 2012
