January 7, 1974, the State of Iowa and the City of Des Moines entered into a service agreement for maintenance services on streets within the Capital grounds. This agreement outlines services to be provided and reimbursement rates. It is similar to the agreement between the State of Iowa Department of Transportation (IDOT) and the City for maintenance on state highway facilities within the boundaries of the City.

The purpose of this addendum is to update the reimbursement rates for the agreement.

The City of Des Moines provides routine maintenance comparable to City streets which includes minor pavement repair, cleaning storm sewers and intakes, snow and ice removal and street sweeping services on the following streets within the Capital grounds:

- E. Walnut Street – E. 7th Street to E. 12th Street
- Finkbine Drive – E. Walnut Street to E. Court Avenue
- E. 9th Street – E. Walnut Street to Des Moines Street
- E. 12th Street – E. Grand Avenue to E. Court Avenue
- E. 13th Street – Des Moines Street to E. Walnut Street

In consideration for these services the State agrees to pay the City at a rate of \$1,375/lane mile for a total of 2.961 lane miles in FY2015. The rate will increase to \$2,750/lane mile in FY2016 and all remaining years of the agreement. This agreement will remain in effect until June 30, 2019.
