Agenda Item No. 42

Roll Call No. [_____]

Communication No. 16-291

Submitted by: Phillip Delafield, Community
Development Director

AGENDA HEADING:

Amendment to the Noise Control ordinance to allow amplified sound on City property in connection with a lease agreement with Park and Recreation or another City department.

SYNOPSIS:

The current ordinance allows amplified sound in Simon Estes Riverfront Amphitheater and Brenton Skating Plaza under a type "F" permit. The permit allows music and human speech registering not more than 100 dBAs when measured at 50 feet from the sound equipment. The same permit has not allowed music in at or in other City owned venues and parks. An event wishes to use Riverview Park for a concert series and it requires a sound permit. This amendment will allow this event to take place. It will also allow events to occur in other City owned venues and parks.

FISCAL IMPACT: NONE
