AGENDA HEADING:

Amending Chapter 114 of the Municipal Code regarding traffic regulation changes as follows:

- A. Updating the through street designations for Evergreen Avenue and SE 45th Street.

SYNOPSIS:

Recommend approval of the staff recommendations and the ordinance regarding the traffic regulation changes.

FISCAL IMPACT:

Amount: Minor costs for sign installations.

Funding Source: 2016-17 Operating Budget, page 78 Engineering Department Traffic and Transportation—Sign Installation and Maintenance, EG062080.

ADDITIONAL INFORMATION:

The intersection of SE 45th Street and Evergreen Avenue at onetime was a t-intersection with SE 45th Street designated as the through street, requiring Evergreen Avenue traffic to stop. The section of SE 45th Street north of Evergreen Avenue is now closed to through traffic. The only movements allowed at the intersection are northbound left turns from SE 45th Street and eastbound right turns from Evergreen Avenue. Since these are not conflicting movements, a stop sign is no longer warranted at this intersection. Staff recommends removing the stop sign at this intersection and updating the through street designations for SE 45th Street and Evergreen Avenue to reflect existing conditions. The following revisions to the Municipal Code will put these changes into effect.

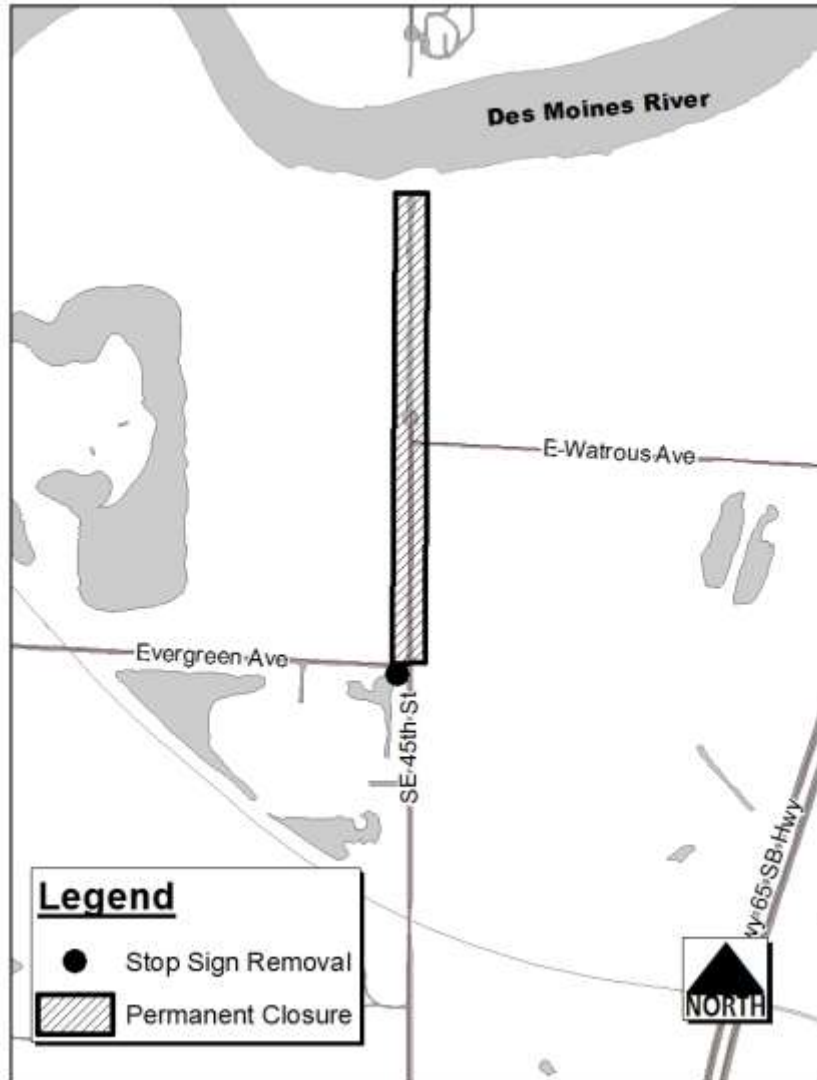

Sec. 114-2118.01. Southeast Forty-fifth Street.

Southeast Forty-fifth Street, from East Pine Avenue ~~north to city limits line~~ to the south line of Evergreen Avenue, stop.

Southeast Forty-fifth Street, from the north line of Evergreen to the north city limits, stop.

Sec. 114-2204. Evergreen Avenue.

Evergreen Avenue, from Southeast Brooks Drive to Southeast ~~Forty-fifth~~ Fortieth Street, stop.
