This action would allow the City to accept the structural work that has been completed to operate the facility prior to final painting of the court in the spring when temperatures would allow that work to be properly completed.

FISCAL IMPACT:

Amount: Estimated value of the donation is \$110,000.

Funding Source: N/A

ADDITIONAL INFORMATION:

- On November 18, 2019, City Council approved by Roll Call No. 19-1846, the Agreement with Kick It Forward to donate the first public futsal court in the Greater Des Moines metro area to be placed on the site of the quick start tennis courts at Birdland Park.
- At this time, the Parks and Recreation Director has determined that the futsal court installation is complete, except for the painting of the court, which cannot be completed until temperatures are reliably higher in spring 2020.
- With the main structure of the futsal court completed, Parks and Recreation and Kick It Forward have agreed to the following amendments to the agreement:
 - City of Des Moines
 - Take possession of the futsal court to be under the management and operation of the Parks and Recreation Department.
 - Kick It Forward
 - Will complete painting the court surface by no later than June 1, 2020.

- Provide the Parks and Recreation Director at least seven (7) days written notice prior to painting work being performed in order to notify the public of a temporary shutdown of use.
