

COUNCIL COMMUNICATION

	Number:	20-090	Meeting:	February 24, 2020
	Agenda Item:	5B	Roll Call:	20-0317
	Submitted by:	Jonathan A. Gano, P.E., Public Works Director and Steven L. Naber, P.E., City Engineer		

AGENDA HEADING:

Ordering construction of the following: E. 1st and Market Street Storm Water Pump Station Repairs - Receiving bids, (3-24-20), and Setting date of hearing, (4-20-20). Construction Estimate - \$1,000,000.

SYNOPSIS:

Recommend the City Council proceed with construction of the improvement and set dates to receive bids and hold a public hearing, as required by Iowa Code, utilizing the method of financing referenced below. This project provides for the rehabilitation of the existing storm water pump station located at E.1st and Market Streets. This project will rehabilitate this critical pump station and keep it functioning until a permanent replacement can be constructed.

FISCAL IMPACT:

Amount: \$1,000,000 City Engineer's Estimate

Funding Source: 2019-2020 CIP, Page Storm – 6, Flood Mitigation Improvements, SM087, Storm Water Utility Funds

ADDITIONAL INFORMATION:

- The Engineering Department has prepared plans, specifications, form of contract documents, and City Engineer's estimate for the construction of the E. 1st and Market Street Storm Water Pump Station Repairs, 08-2020-009. This improvement includes the repairs of the existing stormwater pump station, including the removal of two (2) existing stormwater pumps, rehabilitation of two (2) existing pumps, installation of two (2) stormwater pumps, providing and installing a new electrical control system located in a premanufactured building, building foundation, electrical and controls, erosion control, site work and miscellaneous associated work, including cleanup all in accordance with the contract documents, including Plan File No. 609-010/014 located near E.1st Street and Market Street.
- The improvements are necessary to keep the pump station operational, until a permanent replacement can be constructed and pump interior drainage in the Market District into the river during high river flows.

- The estimated construction cost is \$1,000,000. The proposed plans, specifications, and form of contract documents are available for public inspection in the Des Moines City Engineer's Office.

PREVIOUS COUNCIL ACTION(S): NONE

BOARD/COMMISSION ACTION(S): NONE

ANTICIPATED ACTIONS AND FUTURE COMMITMENTS:

Anticipated actions include public hearing, receive and file bids, designate lowest bidder, approval of contract and bond, partial payments to the contractor, and final acceptance of work.

For more information on this and other agenda items, please call the City Clerk's Office at 515-283-4209 or visit the Clerk's Office on the first floor of City Hall, 400 Robert D Ray Drive. Council agendas are available to the public at the City Clerk's Office on Thursday afternoon preceding Monday's Council meeting. Citizens can also request to receive meeting notices and agendas by email by calling the Clerk's Office or sending their request via email to cityclerk@dmgov.org.
