ADDITIONAL INFORMATION:

- A. Councilmember Westergaard, on behalf of the Highland Park/Oak Park Neighborhood Association, has requested that the peak-hour parking restriction on the west side of 6th Avenue between Euclid Avenue and Clinton Avenue be removed. Parking is currently restricted between 7:00 a.m. and 9:00 a.m. on the west side of 6th Avenue from Clinton Avenue to the alley south of Clinton Avenue. If the proposed change is approved, parking would be allowed at all times, but limited to 2-hour parking between the hours of 9:00 a.m. and 4:00 p.m., Monday through Saturday. This is consistent with the parking in the adjacent areas of 6th Avenue. Notification of the proposed changes was sent to businesses on 6th Avenue between Euclid Avenue and Douglas Avenue. While performing the field review, it was found that the Municipal Code does not match the existing signage in some areas. Changes to match the existing field conditions are also included in the proposed revisions. The following revisions to the Municipal Code will place these changes into effect.
