	Agenda Item:	29	Roll Call:	24-0193
	Submitted by:	Anna W. Whipple, CIO, Information Technology Director		

AGENDA HEADING:

Approving Amendment to the Tyler Technologies (H. Lynn Moore, President, 5101 Tennyson Parkway, Plano, TX 75024) EnerGov Permitting and Licensing (EPL) agreement to replace the named user licensing with site licensing.

SYNOPSIS:

Approving Amendment to the Tyler Technologies EPL agreement to purchase site licensing for Community Development and Workforce Mobile in lieu of named user licenses.

FISCAL IMPACT:

Amount: \$51,048

Funding Source: Fiscal Year (FY) 2023-2024 Operating Budget, Information Technology, G001, IT152000, Enterprise Application Development, Page 127

ADDITIONAL INFORMATION:

- The City will be switching from a named user licensing model, with a limit of 230 licenses, to a site licensing model. This will allow the City an unlimited number of users, mitigating the need to purchase additional licensing if staffing levels were to increase, new business processes are added to EPL requiring additional users, or additional departments begin using EPL for their business processes.
- The site license also decreases the annual maintenance and support costs for EPL by \$7,115.50.
