### ADDITIONAL INFORMATION:

- The Engineering Department has prepared plans, specifications, form of contract documents, and City Engineer's estimate for the construction of the Nahas Pool Equipment Replacement, Activity ID 11-2025-006. The Nahas Pool Equipment Replacement project includes the removal of four turbine pumps, plunge pool sand filter, plumbing piping and valves, electrical equipment, and installation of a new filter, four (4) new in-line pumps, plumbing piping and valves, and electrical equipment for a functioning pool equipment system, all in accordance with the contract documents including Plan File No. 671-053/066, located at Nahas Aquatic Center, 1101 Porter Avenue.
- The estimated construction cost is \$255,000. The proposed plans, specifications, and form of contract documents are available for public inspection in the Des Moines City Engineer's Office.

- The Aquatic Facilities Assessment, presented at the October 2, 2023, City Council workshop, identified several high-priority infrastructure concerns across city pools and aquatic centers. At Nahas Family Aquatic Center, the immediate replacement of essential mechanical and operational equipment was recommended to prevent service disruptions and avoid operational damage.
- This project is anticipated to begin in fall of 2025 and be completed in spring of 2026. While every effort will be made to stay on schedule, there is a possibility of unforeseen delays, including equipment lead times, that could result in a delayed opening in 2026.
