[22-0729](#)

53. **On** request from Angel Groff (Owner) to amend the PlanDSM Creating Our Tomorrow Plan to revise the future land use classification from Low Density Residential to Industrial Use, and to rezone property located at 2200 Easton Boulevard from “N3a” Neighborhood District to “I1” Industrial District, to allow use of the property for “Vehicle Maintenance and Repair – Major” use. Plan and Zoning Commission recommends denial. **Moved by Westergaard and second by Boesen to adopt and DENY the proposed amendment to the PlanDSM: Creating Our Tomorrow Comprehensive Future Land Use Plan designation and rezoning, and to make the following findings of fact regarding the proposed land use plan amendment and rezoning: a. The City Plan and Zoning Commission voted 10-0 to recommend denial of the requested amendment of the PlanDSM Comprehensive Future Land Use Plan from Low Density Residential to Industrial and the requested rezoning of the Property to "II" Industrial Mixed Use District, to allow use of the property for "Vehicular Maintenance and Repair - Major" use. b. The PlanDSM: Creating Our Tomorrow Plan future land use designation of the Property is Low Density Residential, which is not in conformance with the proposed Industrial District for Permitted Use of the Property as stated above, as Industrial Districts are intended to accommodate industrial development and limited supporting commercial uses, which would have a large impact on adjoining properties and the environment. c. The subject property is located along a portion of Easton Boulevard that contains low-density residential uses and religious assembly uses, and industrial uses could have a negative impact on adjoining properties and could produce byproducts that require environmental mitigation. d. The Property is small site not within a business park**

setting and is not suitable for Industrial zoning as it is located within close proximity to residential uses. e. If the application of the existing zoning regulations has the effect of denying the owner all economic use of the Property, then the appropriate remedy is to seek relief from the Zoning Board of Adjustment. Motion Carried 6-1. Pass: Sheumaker.

- [22-0730](#) 54. **On** approval and submission of HOME Investment Partnerships Program supplemental funding, as authorized under the American Rescue Plan (HOME-ARP), Allocation Plan as an amendment to the 2021 Annual Action Plan to the U.S. Department of Housing and Urban Development (HUD).
