Sec. 114-640.01. Resident parking permits.

The city traffic engineer is authorized to issue an annual resident parking permit, at a fee of \$25.00 per month, for residents living within the parking meter and resident parking permit districts, as defined by Sec. 114-636, 114-637 and 114-638. Resident parking permits will be issued on an annual

basis only. The fee of \$25.00 per month will be prorated on a monthly basis from the start of the effective period of the resident parking permit for permits issued after the start of the effective period for the most current resident parking permit. Resident parking permits will be of one color and design, as determined by the city traffic engineer, and this color and design will change on an annual basis for enforcement purposes, as determined by the city traffic engineer.

Sec. 114-640.02. Resident parking permit placement.

Residents issued residential parking permits are required to apply and display the resident parking permit on the front passenger side windshield of the vehicle. The resident parking permit will be of such a design that it must be applied to the inside of the windshield of the vehicle in a permanent manner consistent with the type of parking permit issued.

Sec. 114-640.03. Residency requirements for issuance of a resident parking permit.

Residents must be able to establish to the satisfaction of the city traffic engineer that their permanent residence is within the boundaries of parking meter and resident permit parking districts I, II or III to be eligible for issuance of a resident parking permit. Proof of residence will normally be a copy of a signed and executed lease document.

Sec. 2. This ordinance shall be in full force and effect from and after its passage and publication as provided by law.
