3. A certified copy of the rezoning ordinance shall be attached hereto, and a certified copy of this document and the rezoning ordinance shall be recorded by the City in the land records of the County Recorder to memorialize the rezoning of the Property as identified above.

4. That in the event any portion of the Property is hereafter rezoned to a district classification different from that identified in Exhibit "A" for each portion thereof, then this Acceptance shall be immediately terminated as applied to the real estate so rezoned on the effective date of such rezoning, and the conditions agreed to herein shall be rendered null and void, provided, if there be any such rezoning to a more restricted zoning classification, any then legal actual use of such real estate shall become a legal non-conforming use.

5. This Amended Acceptance of Rezoning Ordinance is intended to replace a prior Acceptance of Rezoning Ordinance for the Property signed by LeMar Koethe on October 16, 2007. The prior Acceptance of Rezoning Ordinance incorrectly identified that Area "G" was to be rezoned to a Limited "R-3" Multiple Family Residential District. It was the intent of the City of Des Moines and LeMar Koethe that Area "G" be rezoned to a Limited "R1-70" One-Family, Low-Density Residential District.

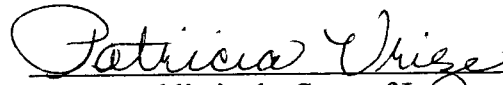

The words and phrases herein, including acknowledgment hereof, shall be construed as in the singular or plural number, and as masculine or feminine gender, according to the context.
