Section 7. Issuance of Bonds in Book-Entry Form; Replacement Bonds.

(a) Notwithstanding the other provisions of this Resolution regarding registration, ownership, transfer, payment and exchange of the Bonds, unless the Issuer determines to permit the exchange of Depository Bonds for Bonds in the Authorized Denominations, the Bonds shall be issued as Depository Bonds in denominations of the entire principal amount of each maturity of Bonds (or, if a portion of said principal amount is prepaid, said principal amount less the prepaid amount); and such Depository Bonds shall be registered in the name of Cede & Co., as nominee of DTC. Payment of semi-annual interest for any Depository Bond shall be made by wire transfer or New York Clearing House or equivalent next day funds to the account of Cede & Co. on the interest payment date for the Bonds at the address indicated in or pursuant to the Representation Letter.

(b) With respect to Depository Bonds, neither the Issuer nor the Paying Agent shall have any responsibility or obligation to any Participant or to any Beneficial Owner. Without limiting the immediately preceding sentence, neither the Issuer nor the Paying Agent shall have any responsibility or obligation with respect to (i) the accuracy of the records of DTC or its nominee or of any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant, any Beneficial Owner or any other person, other than DTC or its nominee, of any notice with respect to the Bonds, (iii) the payment to any Participant, any Beneficial Owner or any other person, other than DTC or its nominee, of any amount with respect to the principal of, premium, if any, or interest on the Bonds, or (iv) the failure of DTC to provide any information or notification on behalf of any Participant or Beneficial Owner.

The Issuer and the Paying Agent may treat DTC or its nominee as, and deem DTC or its nominee to be, the absolute owner of each Bond for the purpose of payment of the principal of, premium, if any, and interest on such Bond, for the purpose of all other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bonds, and for all other purposes whatsoever (except for the giving of certain Bond holder consents, in accordance with the practices and procedures of DTC as may be applicable thereto). The Paying Agent shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the Bondholders as shown on the Registration Books, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal of, premium, if any, and

interest on the Bonds to the extent so paid. Notwithstanding the provisions of this Resolution to the contrary (including without limitation those provisions relating to the surrender of Bonds, registration thereof, and issuance in Authorized Denominations), as long as the Bonds are Depository Bonds, full effect shall be given to the Representation Letter and the procedures and practices of DTC thereunder, and the Paying Agent shall comply therewith.

(c) Upon (i) a determination by the Issuer that DTC is no longer able to carry out its functions or is otherwise determined unsatisfactory, or (ii) a determination by DTC that the Bonds are no longer eligible for its depository services or (iii) a determination by the Paying Agent that DTC has resigned or discontinued its services for the Bonds, if such substitution is authorized by law, the Issuer shall (A) designate a satisfactory substitute depository as set forth below or, if a satisfactory substitute is not found, (B) provide for the exchange of Depository Bonds for replacement Bonds in Authorized Denominations.

(d) To the extent authorized by law, if the Issuer determines to provide for the exchange of Depository Bonds for Bonds in Authorized Denominations, the Issuer shall so notify the Paying Agent and shall provide the Registrar with a supply of executed unauthenticated Bonds to be so exchanged. The Registrar shall thereupon notify the owners of the Bonds and provide for such exchange, and to the extent that the Beneficial Owners are designated as the transferee by the owners, the Bonds will be delivered in appropriate form, content and Authorized Denominations to the Beneficial Owners, as their interests appear.

(e) Any substitute depository shall be designated in writing by the Issuer to the Paying Agent. Any such substitute depository shall be a qualified and registered "clearing agency" as provided in Section 17A of the Securities Exchange Act of 1934, as amended. The substitute depository shall provide for (i) immobilization of the Depository Bonds, (ii) registration and transfer of interests in Depository Bonds by book entries made on records of the depository or its nominee and (iii) payment of principal of, premium, if any, and interest on the Bonds in accordance with and as such interests may appear with respect to such book entries.

Section 8. Registration of Bonds; Appointment of Registrar; Transfer; Ownership; Delivery; and Cancellation.

(a) Registration. The ownership of Bonds may be transferred only by the making of an entry upon the books kept for the registration and transfer of ownership of the Bonds, and in no other way. The City Treasurer is hereby appointed as Bond Registrar under the terms of this Resolution. Registrar shall maintain the books of the Issuer for the registration of ownership of the Bonds for the payment of principal of and interest on the Bonds as provided in this Resolution. All Bonds shall be negotiable as provided in Article 8 of the Uniform Commercial Code and Section 384.31 of the Code of Iowa, subject to the provisions for registration and transfer contained in the Bonds and in this Resolution.

(b) Transfer. The ownership of any Bond may be transferred only upon the Registration Books kept for the registration and transfer of Bonds and only upon surrender thereof at the office of the Registrar together with an assignment duly executed by the holder or his duly authorized attorney in fact in such form as shall be satisfactory to the Registrar, along with the address and social security number or federal employer identification number of such transferee (or, if registration is to be made in the name of multiple individuals, of all such transferees). In the event that the address of the registered owner of a Bond (other than a registered owner which is the nominee of the broker or dealer in question) is that of a broker or dealer, there must be disclosed on the Registration Books the information pertaining to the registered owner required above. Upon the transfer of any such Bond, a new fully registered Bond, of any denomination or denominations permitted by this Resolution in aggregate principal amount equal to the unmatured and unredeemed principal amount of such transferred fully registered Bond, and bearing interest at the same rate and maturing on the same date or dates shall be delivered by the Registrar.

(c) Registration of Transferred Bonds. In all cases of the transfer of the Bonds, the Registrar shall register, at the earliest practicable time, on the Registration Books, the Bonds, in accordance with the provisions of this Resolution.

(d) Ownership. As to any Bond, the person in whose name the ownership of the same shall be registered on the Registration Books of the Registrar shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on

All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

(e) Cancellation. All Bonds which have been redeemed shall not be reissued but shall be cancelled by the Registrar. All Bonds which are cancelled by the Registrar shall be destroyed and a certificate of the destruction thereof shall be furnished promptly to the Issuer; provided that if the Issuer shall so direct, the Registrar shall forward the cancelled Bonds to the Issuer.

(f) Non-Presentation of Bonds. In the event any payment check representing payment of principal of or interest on the Bonds is returned to the Paying Agent or if any bond is not presented for payment of principal at the maturity or redemption date, if funds sufficient to pay such principal of or interest on Bonds shall have been made available to the Paying Agent for the benefit of the owner thereof, all liability of the Issuer to the owner thereof for such interest or payment of such Bonds shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the owner of such Bonds who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Resolution or on, or with respect to, such interest or Bonds. The Paying Agent's obligation to hold such funds shall continue for a period equal to two years and six months following the date on which such interest or principal became due, whether at maturity, or at the date fixed for redemption thereof, or otherwise, at which time the Paying Agent, shall surrender any remaining funds so held to the Issuer, whereupon any claim under this Resolution by the Owners of such interest or Bonds of whatever nature shall be made upon the Issuer.

(g) Registration and Transfer Fees. The Registrar may furnish to each owner, at the Issuer's expense, one bond for each annual maturity. The Registrar shall furnish additional bonds in lesser denominations (but not less than the minimum denomination) to an owner who so requests.

Section 10. Record Date. Payments of principal and interest, otherwise than upon full redemption, made in respect of any Bond, shall be made to the registered holder thereof or to their designated agent as the same appear on the books of the Registrar on the 15th day preceding the payment date. All such payments shall fully discharge the obligations of the Issuer in respect of such Bonds to the extent of the payments so made. Payment of principal shall only be made upon surrender of the Bond to the Paying Agent.

Section 11. Execution, Authentication and Delivery of the Bonds. Upon the adoption of this Resolution, the Mayor and Clerk shall execute and deliver the Bonds to the Registrar, who shall authenticate the Bonds and deliver the same to or upon order of the Purchaser. No Bond shall be valid or obligatory for any purpose or shall be entitled to any right or benefit hereunder unless the Registrar shall duly endorse and execute on such Bond a Certificate of Authentication substantially in the form of the Certificate herein set forth. Such Certificate upon any Bond executed on behalf of the Issuer shall be conclusive evidence that the Bond so authenticated has been duly issued under this Resolution and that the holder thereof is entitled to the benefits of this Resolution.

RE: \$15,990,000 General Obligation Refunding Bonds, Series 2010A

Dear Mr. McKinley:

Enclosed are documents to complete Council action in connection with the authorization for the issuance of the above Bonds:

1. Roll Call authorizing the issuance of the Bonds. The resolution also incorporates by reference the form of the Tax Exemption Certificate and Continuing Disclosure Certificate and approves the Refunding Trust Agreement and Registrar and Paying Agent Agreements with Bankers Trust Company relating to the Refunded Bonds.

There are blank spaces appearing in the form of Bond set out in the resolution. These need not be completed but may be left blank as a guide since different amounts, dates and percents will be inserted within the blank spaces.

The resolution must be adopted by an affirmative vote equal to a majority of the full Council membership.

2. Tax Exemption Certificate. The Tax Exemption Certificate sets out in detail a number of facts, promises and obligations which must be met and agreed to by the City in order to maintain these Bonds as tax exempt. This Certificate contains some blank spaces relating to matters of information dependent upon the resale price of the Bonds which are not known and available at this time. In addition, certain details relating to the Refunded Bonds also need to be determined and added to Section 2.4. The information will be added to this certificate prior to closing and completed copies of pages with blank spaces will be provided to you. This certificate should be SIGNED BUT NOT DATED. Please return the "Complete and Return" copy and Purchaser's copy to our office prior to closing.
3. Continuing Disclosure Certificate. This Certificate also should be signed by the Mayor and the Clerk **but not dated**. Please return the "Complete and Return" copy and Purchaser's copy to us prior to closing.
4. Original Bond Nos. 1-14, inclusive. The original Bonds are enclosed to be executed by the Mayor and the Clerk in the spaces provided and impressed with the City's seal. You also will need to authenticate each of them as City Treasurer. Please have the executed Bonds returned to us as soon as possible so that they can be forwarded to DTC prior to closing. The dated date of the Bonds and the date of authentication will be the date of closing (January 26, 2010). A highlighted copy of Bond No. 1 is enclosed to show where signatures and seals are needed.
5. Delivery Certificate. **Please note that the Delivery Certificate requires a local bank official's signature on the last page for the purpose of identifying the City's signatures.** This certificate also should be signed, BUT NOT DATED. Please return the "Complete and Return" copy and Purchaser's copy to my attention prior to closing.
6. Transcript Certificate. This certificate is to be executed and sealed in the manner indicated on the second page and may be dated at the time of completion. Please return the "Complete and Return" copy to us prior to closing.
7. County Auditor's Certificate. A true copy of the authorizing resolution as adopted is to be certified and filed with the Auditor of Polk County. The Auditor is asked to certify to such filing on the lower portion of the certificate. Please return the "Complete and Return" copy to my attention prior to closing.

8. Certificate of Finance Director/Treasurer. Please execute all copies, returning the "Complete and Return" and "Purchaser's" copies to our office prior to closing. Please do not date this Certificate, as it also will be dated at the time of closing.
9. Refunding Trust Agreement. Please execute all copies and return them to us prior to closing. We will obtain the signature of the Trustee and provide you with a completed copy following the closing.
10. Registrar and Paying Agent Agreement. Please execute all copies and return them to us prior to closing. We will obtain the signature of the Registrar and provide you with a completed copy following the closing.
11. Form 8038-G -- Information Return for Tax Exempt Governmental Obligations. Please sign, but do not date, and return the form to us prior to closing.

#### Tax Exemption

The Tax Exemption Certificate is an important document and contains important information concerning the calculated yield on the Bonds and a number of covenants and obligations on the part of the City. This certificate should be retained along with all of your records regarding the use of proceeds, expenditure dates and investment information to comply with IRS guidelines. I will not attempt to summarize all of the matters which are included in this certificate but I do want to point out some important ones.

Tax exemption is based in part upon the fact that the use of the facilities acquired by the City with the proceeds of the refunded bonds will continue to be used by the public and will not be used in the private trade or business of any business or non-tax-exempt entity. The properties acquired with the original proceeds must not be sold or diverted to any private or nonpublic use unless the significance of that action is reviewed by bond counsel.

The Tax Exemption Certificate sets forth the best knowledge and belief which you have as of today concerning the timely expenditure of the proceeds as the City reasonably expects expenditures to occur. If for any reason the City finds it will be prevented from expending the Bond proceeds to refund the outstanding obligations in the manner described in the authorizing resolution, that matter should be referred to us.

These Bonds are also issued under the expectation that you will be exempt from the requirement to rebate arbitrage earnings to the United States Government, because you will spend the gross proceeds of the Bonds within six months of the date of issue. If for any reason it appears you will not meet this spending requirement, the matter should be brought to our attention immediately.

There are a number of other general promises and commitments by the City to take or refrain from action, which are necessary to maintain the tax exemption of these Bonds. You should recognize that these promises and commitments are required of the City on an ongoing basis and that the possibility of some additional future action does exist.

### Continuing Disclosure Certificate

Securities and Exchange Commission Rule 15c2-12 prohibits the underwriting and recommendation to the public of municipal securities for which adequate secondary market information is not available. The rules apply generally to any municipal offering over \$1,000,000. The City therefore has an obligation to provide continuing disclosure to the marketplace while the Bonds are outstanding. The applicable covenants and duties of the City are outlined in the Continuing Disclosure Certificate.

The Continuing Disclosure Certificate requires the City to provide annual financial information and operating data to certain information repositories so long as the Bonds are outstanding, and also to provide notice to those repositories if certain material events occur which could impact the ability to pay principal and interest on the Bonds. The information to be provided annually is for the most part the same sort of data which is included in the Official Statement. The eleven (11) material events which must be reported are detailed in the certificate, but other events which would be of concern to the rating agencies or bondholders also should be considered for disclosure under the anti-fraud provisions of the federal securities laws.

These disclosure requirements are ongoing and it will be important to designate an appropriate contact person who will have a primary responsibility for preparing and coordinating the filing of the annual financial information, operating data and any event notices.

The penalties for violation of the rule fall ultimately on the issuer of the bonds, because underwriters may be precluded from agreeing to underwrite or bid on bonds of issuers who have not complied with their disclosure obligations. Failure to comply therefore may result in fewer bids and ultimately no bids or the inability to secure an underwriter for an issue.

Closing Matters.

As you know, closing of this issue is scheduled to occur on or about January 26, 2010. At the time of closing, the "Purchaser's" copies of the above items and the original Bonds will be delivered to the Purchaser of the Bonds in exchange for the agreed purchase price. Our legal opinion also will be delivered to the Purchaser at that time.

Should you have any questions, or if we can be of any assistance in completing the enclosed items, please don't hesitate to contact me.

Yours very truly,

William J. Noth
