DMPD Intoxicated Driver Prevention Program
Section 163 Grant Application
April 1, 2007 through September 30, 2007

Last year Des Moines Police officers made 768 OWI arrests and a total of 1,877 alcohol related arrests. This is a marked increase from 2005 where there were 510 OWI arrests and a total of 1,655 alcohol related arrests. The Section 163/410 Contract has proved to be invaluable in the enforcement of alcohol related offenses and providing the citizens of Des Moines a safe city in which to travel.

Another important component of the Section 163 Grant is the opportunity to purchase in-car video cameras and PBT(s). The in-car camera has been used successfully on several occasions to support an officer's testimony and actions. The PBT(s) are also a necessary piece of equipment in the enforcement of alcohol related offenses.
