When you are ready to submit a claim for reimbursement, please use the form supplied by the Office of Aviation specifically for this program. An electronic version of the form was e-mailed to you when you received the Air Service Sustainment grant that is also a part of the Air Service Development Program.

As you know, this program is based on findings and recommendations from the 2008 Iowa Air Service Study, as well as feedback from commercial airports in Iowa. We look forward to working with you on this program and hope it will assist in the continuing development of air service in Iowa.

Sincerely,

Tim McClung, Planning & Outreach Manager
